Tuxton

Each piece looks and feels hand-thrown, creating a rustic and unique presentation. The lush, vibrant glazes react differently with each firing, so every piece is truly an original.

OUR STORY

Founded in 1963, our family-owned and operated company has been a leading supplier of high quality ceramic dinnerware, ovenware, & stainless steel cookware products worldwide. We pride ourselves on producing superior quality products with our many years of manufacturing expertise in both private brands as well as our top performing commercial line, Tuxton China. Our products have surpassed the high standards required by culinary professionals - and are now available for the home. Every item undergoes the same rigorous quality control process demanded by our professional clients. Trust the products the pros use and UPGRADE TO TUXTON.
