NEW! Ice Cream Castle Mold

MINNEAPOLIS (January 2018) – Talisman Designs introduces Ice Cream Castle Mold! An enchanting way to treat your loved ones.

"Spoil Them Royally" with this magical castle mold! Simply fill with your favorite cold treat such as ice cream, frozen yogurt or juice, and let freeze. Once completely frozen, pull the mold edges away from the dessert and push your castle onto the plate.

The built-in topping cavity allows for sweet additions such as chocolate sauce, caramel or sprinkles.

This product will have everyone eating happily ever after!
