

GelPro Basics™

Made in the USA
with Imported Fabric

20"x 32" / 20"x 60"

The new **GelPro Basics™ Comfort Mat** features a slightly thinner comfort core of patented gel and energy-return foam featured in our best-selling GelPro Elite. This affordable premium comfort solution protects feet, legs and your back from the aches and pains caused by hard flooring. The 5/8" thick dual comfort core conforms to feet for an extra-supportive cushion of plush relief during standing. Covered by a 3-year warranty, GelPro Basics has beveled edges, a stain-resistant top surface constructed with non-toxic polyurethane and a slip-resistant bottom surface.

Sleek, beveled
edge design

Stain-resistant &
easy-to-clean

Soothing gel core
conforms to feet
while preventing
painful pressure

Energy-return foam
restores energy
while you stand

Slip-resistant
bottom surface

The GelPro Basics™ anti-fatigue mat is ideal for use in the kitchen, bathroom, laundry room, craft room and at stand-up desks.
