

NEW for 2020

AllergenSeal Bagless Upright Vacuum

Featuring a completely sealed air-path, the AllergenSeal bagless upright vacuum captures 99.97% of dust and particles for cleaner air inside your home. And at under 15lbs and with swivel steering, this lightweight upright vacuum makes cleaning a breeze.

CSV | Go 2-in-1 Super Stick Vacuum

A 21.6v stick vacuum with everything you need and nothing you don't. At under 5lbs, this feather-lite stick vacuum features up to 40 minutes of run time for whole home cleaning, and an LED headlight so dirt has nowhere to hide.

Robot Vacuum Advanced Navigation with App Control

Introducing an advanced navigation robot vacuum at an affordable price backed by a reliable brand name. Designed for homes with pets, use the app or voice control (Google Home & Amazon Alexa) to schedule cleanings and vacuum hard-to-reach areas for up to 120 minutes of run time.
