

**Safe, Non-Toxic & Non-Caustic**

**Contains Natural Citronella**

**Eco-Friendly & Biodegradable**

## The Only Product You'll Need to Say Goodbye to Annoying & Pesky Drain Flies Once and For All!

**Fruit Fly Goodbye** is your one-stop-shop for repelling drain flies, fruit flies, & fungus gnats that live and breed in drains. This product utilizes a thick gel that clings to pipes & drains to rid them of drain fly infestations. You can count on this product to be safe on your pipes and the environment since it utilizes natural ingredients.

**The Power of Citronella** is mother natures fly repellent, & can be found & obtained from the leaves & stems of different species of Cymbopogon (lemongrass). This is the key ingredient we use in our product in order to get the job done right.

**Drain Flies** are a big problem, and they can breed up to 500 eggs rapidly at a time within 24-30 hours! Use our product safely on a multitude of drains where these flies live & breed:

Floor Drains

Garbage Disposals

Kitchen Sinks

## Perfect For Home & Commercial Use

Bars, Taverns and Pubs

Hotels and Restaurants

Both Small & Large Kitchens

Bathrooms & Shower Drains
