Our mission

To create a more sustainable world by designing eco-friendly products that promote a safer and healthier environment. With our passion to preserve nature and its many life forms, we have set out on a mission to replace everyday oil-based disposable and reusable plasticware with modern sustainable alternatives.

Why EcoSouLife?

We are an award winning Australian brand that aims to inspire an ever-growing environmentally conscious global network. Now owned by Horwood Life we are one of the fastest growing manufacturers of bio-degradable household and outdoor tableware products in the industry, now available worldwide. Our mission is to educate individuals about current environmental issues and deliver ecological product alternatives to replace harmful plastics.

*being Eco conscious
not only comes from our Soul,
it's our way of Life*

From rice husk, corn starch, bamboo, sugar cane, areca nut leaves and more, we offer products in nearly every available range of biodegradable technology! No other company comes close to the breadth of selection we offer and our line-up continues to expand. All of our products are designed and manufactured to be safer for you and safer for the planet.

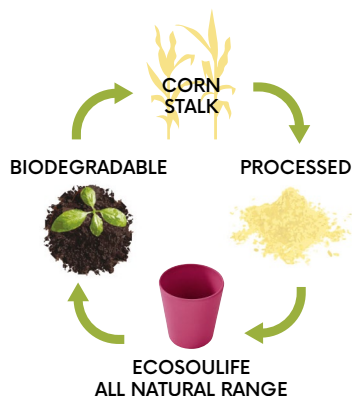

ALL NATURAL

BIODEGRADES WITHIN 2-3 YEARS*

From Home Dining Plates and Bowls to the outdoor Picnic and BBQ, our All Natural material is durable, versatile and fashionably colourful. The range also features a lifestyle look that blends in with the trend for home or café use, yet portable enough to be taken on a hike or to the beach. Combined with a smooth earthy-feel reminiscent to slate, these products are a modern sustainable choice for almost any setting.

ARECA NUT LEAF

COMPOSTABLE WITHIN 90-180 DAYS*

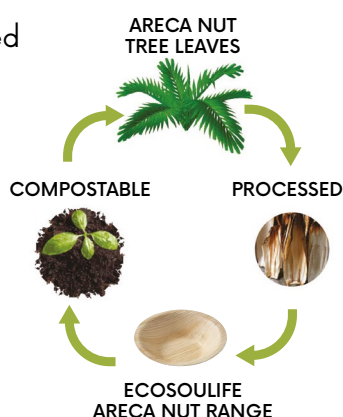

Made of naturally-fallen Areca Nut leaves from India, these are washed, dried and formed through a high-heat mould press to shape them into one of our many designs. Our forests are untouched in the collection and production processes.

The villages collect these naturally-fallen leaves and in turn protect the forest. The environment is providing for these villages, assisting both their lifestyle and also the environment!

Before packaging, they are UV-sterilized and ready for the table. We add no coatings or dyes, keeping these high quality, durable plates gorgeous, all-natural and compostable in under 13 weeks.

Areca Nut Leaf Features:

- 🌿 Home compostable
- 🌿 Oven safe for 45 minutes to 180°C
- 🌿 Refrigerator and freezer safe
- 🌿 Made from naturally fallen leaves, making each product unique
- 🌿 Disposable and ecological
- 🌿 Microwave safe up to 2 minutes
- 🌿 UV Treated

*Actual composting times may vary depending on environmental conditions.
