THE ART OF CLEAN

gia global innovation awards

honoring housewares product design excellence

2017 FINALIST

The TAO Clean Sonic Makeup Brush Cleaner is an all-in-one solution for deep cleaning all popular sizes of makeup brushes, up to seven at a time. Meticulously researched, consulting the makeup rituals of users, professionals, and amateurs alike, our latest innovation offers cleanliness, hygienic practice, and maintenance to keep your brushes in the most excellent condition.

A combination of timeless elegance and functionality intertwined with femininity, TAO Clean'sClean's Sonic Makeup Brush Cleaner displays a sensual allure that dramatically fuses Art, Design, and Technology.

Deep cleans brushes in 2 minutes using dedicated Makeup Cleaning Soap Pods. The powerful cleaning cycle removes make-up residues, oils, and powders as sonic vibrations sway each Brush an incredible 50 times per second - that's 12,000 times per cycle - to dislodge dirt and debris. Makeup Cleaning Soap Pods dissolve in water, leaving behind nothing but gentle suds that rinse clean and won't dry out bristles.

TAO Clean Sonic Makeup Brush Cleaner is a reliable solution that solves the job you love to hate.

- Accelerated cleaning cycle removes makeup residues, oils & powders
- Protecting your brush; bristles are agitated not aggravated
- Holds up to 6 brushes with varying handle diameters
- Hygea Makeup Brush Cleaning provides 30 washes
- Deep cleans brushes in 2 minutes
