

Drop

Aesthetic + Sustainable + Useful.

Drop

Carry your Egg Cup.

Finally, an eggcup that is aesthetic, sustainable and useful all at once.

Aesthetic – as it is of a design language that is straightforward and cites design eras from the past. The Drop lives up to its name, visually speaking.

Sustainable – as we chose bamboo fiber as raw material, degradable and renewable. In addition, bamboo fiber has a great, soft touch.

Useful – because Drop is stackable as well as dishwasher safe. Drop also offers space for the eggshell. Its light, natural colors round up the circular flow of raw material, form and function.

The handle is perfect for carrying it to the breakfast table. Moreover, for an egg and spoon race...
