# About Us

Follow us

Head Office & Factory Facility – 1 Million sq.ft.

Established in 1980, Gracious Living Corporation is a leading Canadian manufacturer and importer of resin furniture, outdoor accessories, storage solutions, housewares, resin recreational products, and much more, including numerous custom products.

The Gracious Living Group is committed to excellence in design and quality construction. Our success is built on strong relationships with our customers, being able to provide them with superior product and service.

## 30 Years Experience

# Advantage

### **FACILITIES**

Gracious Living has been a leading injection and extrusion manufacturer in Canada for over 30yrs. With over 100 machines & 10,000 Sq.ft. dedicated to Q&A / R&D – Gracious Living supplies customers quality innovative products.

### **QUALITY ASSURANCE**

Our Quality Assurance and Quality Control labs processes work closely through every stage of the importing and manufacturing processes to ensure that quality is top of mind.

### **SUSTAINABILITY**

Gracious Living adheres to an operating framework that involves every aspect of corporate life, from environmental performance to employee well-being to community involvement.

### **OUR TEAM**

From senior management to production and logistics Gracious Living gives employees the tools to be the best they can. Working together makes us stronger and allows us to serve our customers better.

### **CUSTOM MOLDING**

At Gracious Living our custom injection molding division uses our industry knowledge, service offering expertise, superior quality products, and technology capabilities to provide our customers with solutions to their new product designs.

### **OUR GOALS**

Gracious Living's goal is to exceed our customers expectations in quality, delivery, and cost through continuous improvement in accordance with our tradition of high manufacturing standards.

# Terms & Conditions

Net 30 days FOB Woodbridge, Ontario Canada

Prices quoted are based on the current polypropylene monomer prices. Therefore, we reserve the right to make changes to this quotation based on the fluctuation of polypropylene monomer as posted monthly in the CDI index.

Gracious Living has the right to withdraw this quotation at any time due to the current unstable resin market.

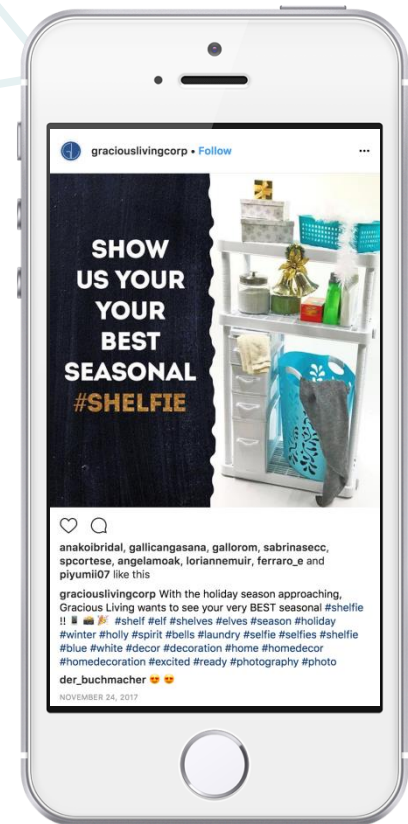

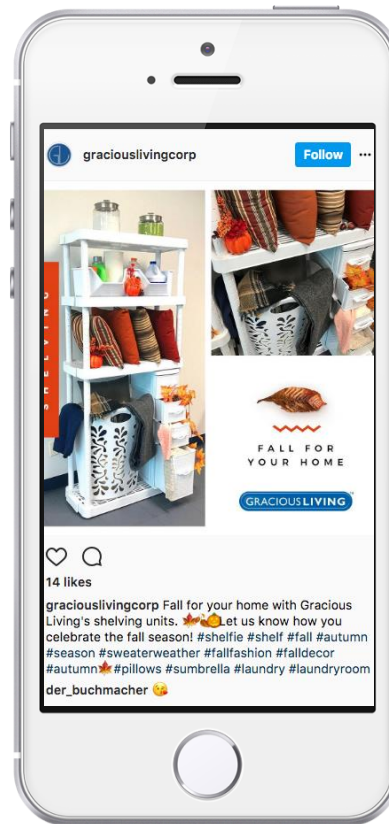

Prior to quoting, confirm with your sales manager that this is the most up-to-date pricing.

Prices will be confirmed at time of purchase order.
