

IRONING

Available as:

- Ironing Board Pad
- Ironing Board Cover
- Ironing Board Pad and Cover Set

Fits All Standard Size
54in Ironing Boards

Pad #80000

Ironing Board Pad

- Heavy-duty, 100% Cotton knit construction
- Thickest pad available
- Thicker pad yields professional pressing results
- Permeable cotton naturally distributes heat and steam evenly
- No foam or synthetic materials
- Specially designed nose and corner pockets hold pad securely in place
- For best fit, use with RITZ® Ironing Board Cover
- Patented ironing board pad

U.S. Patent No. 6, 536, 144 and 6, 769, 205

Treated Ironing Board Cover #80100

Natural Ironing Board Cover #80500

Silicone Ironing Board Cover #80300

Ironing Board Cover

- 100% Heavyweight cotton of durable construction
- Specially treated to reduce scorching and resist stains

- Non-stick surface to ensure ease of ironing
- Quick and easy installation
- Heavy-duty drawstring with cord lock fastener to ensure custom fit

- Elastic alligator clamp under board provides extra tight, no-shift fit
- Separate cover from pad allows versatility in changing patterns without having to purchase a new pad
