## nonstick toaster ovenliner

now, spills and crumbs are toast

Catch those feisty little spills and crumbs that get stuck on the bottom of your toaster oven. Now you can keep the bottom of your toaster oven looking like the day you got it with very little effort. While you cook it collects, shielding the bottom of your oven from overall mess. It's a breakthrough for toaster ovens everywhere.

#401 Nonstick Toaster Ovenliner 11" x 9"

## nonstick ovenliner

never clean the bottom of your oven again

What exactly is an ovenliner? Well, it's a time saver. A drip blocker. A crumb catcher. A spill protector. A burnt food guard. It's your nonstick secret to never having to clean the bottom of your oven again. The Chef's Planet Nonstick Ovenliner makes life in the kitchen easier. While you cook it collects, shielding the bottom of your oven from splatters, spills and overall mess. Made for standard size ovens.

#400 Nonstick Ovenliner 23" x 16.25"

## nonstick commercial ovenliner

never clean the bottom of your oven again

For larger, commercial size ovens, the Chef's Planet Nonstick Commercial Ovenliner makes life in the kitchen easier. The nonstick ovenliner is commercial grade thickness and fits ovens up to 36" wide. So whether you're baking your culinary creations in your home or industrial kitchen, the bottom of your oven is protected from splatters, spills and overall mess.

#824 Nonstick Commercial Ovenliner 30" x 16.25"

# multipurpose lid holder **New!**

never flip your lid about stovetop and counter clean-ups again!

You know the story - you're cooking up a hearty stew or fragrant sauce but when it's time to check the spice level or add more ingredients, where do you put your lid? Whether you set it on the counter or stovetop, you'll have to deal with the drippy mess later and that's no fun. Well, not anymore. Just hang this convenient gadget on the side of your pot and start simmering. When it's time to stir, remove the lid and place it in the multipurpose lid holder. Don't worry, it collects any condensation and drips that have splattered on your lid during cooking. It also doubles as a spoon rest when you're not using a lid, so those tasty bits fall from your spoon back into your pot. Get this cool tool today and put a lid on kitchen messes!

#739 Multipurpose Lid Holder

# Silkway Film Laminated Fry Pan

the most durable nonstick surface with the best release for cooking & baking

Until now, the industry has relied on the application of PTFE and ceramic spray coatings in the manufacture of nonstick cookware. Because nonstick spray coatings cannot be applied evenly or with heavy deposition, nonstick functionality and durability are limited. Introducing Silkway, the World's 1<sup>st</sup> Film Laminated Fry Pan with a patented film lamination coating that is 25-55 microns thicker than traditional spray coatings. Silkway's durable, nonstick surface requires little to no oil for healthier cooking without your food sticking! Available with oven-proof stainless steel handle. Patent # 10-2015-0030719

#620 Silkway Film Laminated Fry Pan 10.24"/26 cm

# multipurpose nonstick/nonslip mat

it's counter-intuitive

The top side is a nonstick surface that provides easy release and the bottom side is a nonslip silicone surface that stays put while you work.

Place nonslip silicone side down and use it to knead and roll out dough, as a nonstick baking mat for even baking and easy release without cooking spray, as a nonstick work mat for decorating candies & cookies, as a microwave liner and as an arts & crafts mat to protect your surfaces from glitter, paint & glue. It's a MUST-HAVE HELPER for the household!

#925 Multipurpose Nonstick/Nonslip Mat 24" x 16"

## universal nonstick bakeliner

bake like a pro—yes, a real pro

Our products are designed to make cooking easier and enjoyable. Scrubbing baked-on food from your pans isn't. So don't. Use our Universal Nonstick Bakeliner and be a baking genius. It puts a nonstick layer between your goodies and your pans. Foods cook more evenly and your baked food will slide right off. Spend more time doing what you love and less time doing what you don't.

Cut to fit for any size use - Liner customization template included for: 8", 9" or 10" rounds, 8" x 8", 9" x 9" or 10" x 10" squares, 9" x 13" rectangle or 16.5" x 11.5" half size sheet pans.

#932 Universal Nonstick Bakeliner 40" x 12"

## 3 piece value pack

make life in the kitchen easier and save money at the same time!

Never clean the bottom of your oven again with our nonstick ovenliner. It's durable, reusable, dishwasher safe and may be trimmed to fit smaller oven racks. Also, bake like a pro with our nonstick bakeliner; it's reusable, bakes food more evenly and fits half sheet pans with no greasing required. Finally, keep your toaster oven looking like the day you got it with our durable, reusable, dishwasher safe, nonstick toaster ovenliner.

#079 3 Piece Value Pack

## PrepTaxi® food scoop

the inside scoop on slicing, dicing and chopping

This nifty tool was destined for the chopping block. And that's a good thing. The patented PrepTaxi® Food Scoop fills an important role in food preparation - getting your diced meats, chopped veggies and grated cheese from the chopping block to a pan or bowl. Just scoop and transfer. The sides prevent spillage. It's fast, efficient and a must-have for any cook. Holds up to 3 cups of prep work. Patent # D519,794/6,733,056

#110 PrepTaxi® Food Scoop — Stainless Steel

## measuring colander™

one for all, and all for one

For one-step draining and measuring, it's the one. This uniquely designed colander will be your one & only when it comes to preparing fruits, beans, legumes and more for your favorite recipes. Plus, draining and measuring in one step saves you time, putting you one step ahead in the kitchen! This 3 cup Measuring Colander™ also has a built-in tuna can drainer that works with traditional and pull tab cans.

#475 Measuring Colander™ — White

#482 Measuring Colander™ — Red

## universal stir-through lid

see, stir & rest without the mess

Simmering can be a messy endeavor but not with the patented universal stir-through lid. Simply place it on pots or pans from 10" to 12½" and get cooking. The stir-through area has an ample slotted opening that accommodates most utensils so you can stir without removing the lid. The slotted opening not only allows steam to vent, it also acts as a spoon rest so drips from your spoon fall back into your pot. It's a splatter guard, spoon rest and universal size lid all in one! Constructed with tempered glass and stay-cool handles. Hand washing recommended. Patent # 9,635,975

#659 Universal Stir-Through Lid

primarily made in the USA

## grill & bbq mat

because food shouldn't fall through the cracks

What an epiphany. A nonstick mat for your grill that prevents food from falling through the cracks. Never again will you dive your tongs into the grates to save a fallen shish kebab. Place delicate foods (fish, veggies, shrimp) on the mesh mat. They'll cook to juicy perfection and your food won't stick. Ah, grilling perfection.

#727 Grill & BBQ Mat 15" x 10.5"

primarily made in the USA

## nonstick mesh crisper

because no one likes a soggy bottom

Tired of soggy pizza, fish sticks and French fries? The Chef's Planet Nonstick Mesh Crisper will become your first line of defense to combat sogginess. And now our baking mat is even better! We have increased the size of our non stick mesh crisper and changed the mesh to a more open weave for added air flow. Oven heat can circulate through the mesh, evenly crisping the crust of your favorite foods. Now, the bottom of your quesadillas, chicken nuggets and hors d'oeuvres will always be deliciously crispy.

#611 Nonstick Mesh Crisper 14.5" x 14.5"

primarily made in the USA

## ovenglove

really takes the heat (and looks cool doing it)

In the heat of the moment, our Ovenglove comes through. Use this glove to protect your hands when removing hot items from the oven. This comfortable, seamless five-fingered glove is made of DuPont® Nomex® and is heat and flame resistant. Our Ovenglove can withstand temperatures up to 500°F (260°C) and fits great on both righties and lefties!

#383 Ovenglove

## better tongs™

they'll make you flip like never before

Turns like a spatula and lifts like tongs, the better tongs will efficiently lift, turn, cradle, scoop and flip your most delicate foods. This nylon spatula has a beveled edge for easy lifting and a stainless steel wire head to assist turning. No matter what's on the menu, the better tongs will turn you into a culinary star!

#376 Better Tongs™

## better spatula™

the better choice for cleaning batter off your beaters

Finally! No more messy, drippy beaters. The slots in this neat spatula let you easily clean the blades of your beater without making a mess or sacrificing any of that yummy batter. Because it can handle anything in the mixing bowl from lifting, spreading, stirring and scraping, the patented Better Spatula™ will be the one you reach for every time. Sorry, kids - no more beaters to lick!

Patent # 9,241,599

#178 Better Spatula™

## flavor enhancer™

tenderize and flavorize at the same time

This ingenious gadget allows you to safely tenderize and flavorize your roasts, steaks, chops, poultry and whole birds at the same time. This uniquely engineered tool has stainless steel blades that pierce the meat to tenderize while the 3 flavor needles inject your desired marinade. With its fast and flavorful results, our Flavor Enhancer™ is going to be your favorite flavor-adding tool in the kitchen!

#115 Flavor Enhancer™

## clip & drain™

now draining won't be a strain

Why take the time to pull out that bulky colander when you can just clip this nifty gadget to the side of virtually any size pot or pan and drain away! The cleverly designed stainless steel reinforced clip with a silicone gripper is easy to attach to the pot but strong enough to stay in place while draining. So whether you are straining the liquid from veggies, pastas or meat, the patented Clip & Drain™ will be the gadget you reach for every time! Patent # D801130

#607 Clip & Drain™ – White

#608 Clip & Drain™ – Red

#609 Clip & Drain™ – Black

## perfect pan™

the perfect protection from cracked cheesecake and sunken soufflés

For foolproof, flawless, sweet & savory creations, the Perfect Pan™ saves the day. Delicate baked goods require gentle heat for a smooth, even texture that isn't cracked, curdled or overcooked. This aluminum springform pan has an easy locking latch, removable base with silicone ring and water bath basin that's a piece of cake to use. Plus it's leak-proof! Just pour your favorite recipe in the pan, set the pan with the silicone ring on top of the filled water bath basin and bake. Voila - perfection!

#349 Perfect Pan™

## multipurpose filter funnel set

just say 'yes' to less mess

If you love fried foods but hate the wasted oil, our multipurpose filter funnel set is the perfect solution for filtering your oil so you can use it again and again. But it's also great for straining soup stocks, juices and just about anything else without a mess. The dual filter system consists of a pre-filter to remove large food particles and a fine mesh filter to remove small food particles. The vented funnel screws onto nearly any wide mouth jar and the vented funnel adaptor fits 1 gallon+ containers to reduce spills. So just say 'yes' to less mess and get cooking!

#130 Multipurpose Filter Funnel Set

## glass cruets

achieve perfect drizzle

Where design leads and functionality follows or is it the other way around? The point is their beauty isn't just glass deep. The unique stoppers slow the stream of oil or vinegar while the collar catches any drips to keep your table and counter free of messy rings. Our larger cruets will stylishly display and dispense infused oils, flavored syrups, liqueurs, dipping sauces, dish soap or any other liquids you use in the kitchen. These beautiful cruets are made from virtually break-resistant Borosilicate glass.

#406	Small Cruet	5 oz.	6" x 2.5"
#413	Large Cruet	8 oz.	7" x 3.5"
#222	All-Purpose Cruet	14 oz.	8" x 3.75"
#956	Oil Pourer	32 oz.	10" x 4.5"

## zest for life

Seize the meal!

At Chef's Planet, our philosophy is called 'zest for life'. It's all about doing the things we really love in life like enjoying great food, family & friends and having fun, especially in the kitchen.

Our goal is to make cooking easier and more enjoyable for you and our products are cleverly designed to do just that. Sure, cooking is a blast but it's not fun when you don't have the right tools to get the job done. That's where we come in. We're cooks just like you so we understand the challenges you face in the kitchen and we work to solve those problems before you ever have to think about them.

What are you waiting for? Get out there and find your zest for life!
