COOKING DEMOCRACY

BRAND STORIES

Core Kitchen

Core Kitchen brings color and function to kitchen, storage, and cleaning basics. With trendy colors, prints, and materials, Core Kitchen has revolutionized how customers see and experience cooking, cleaning, and organizing.

Core Bamboo

Core Bamboo combines fashion and function in the kitchen through eco-friendly materials and brightly colored products. Our bamboo is FSC certified and organically grown. Each item is made using techniques to minimize waste and ensure that any adhesives or paints used are naturally-based and toxin-free.

Sizzle & Stir

Sizzle & Stir creates products for the fierce fashion fanatic. With contemporary colors, trendy prints, and functional designs, Sizzle & Stir is the source for the hottest kitchen prep and serving accessories.

Thyme & Table

Thyme & Table is a lifestyle brand geared toward the millennial who enjoys elevated materials. We wanted to bring a sense of restaurant and "foodie" style to the millennial's kitchen, storage and cleaning basics. Thyme & Table has revolutionized how customers see and experience cooking, cleaning and organizing through trendy colors, prints and elevated materials

BRAND STORIES

MANNA

Manna Hydration is a stylish solution to reducing waste. With a variety of shapes, Manna provides a bottle for every activity while creating a fashionable accessory while on the go.

TAL

TAL Hydration is designed to simplify everyday life. Our reusable bottles are created to fit daily activities while keeping drinks temperature controlled and reducing waste. Each bottle provides the go-to accessory while on the go.

Medici

Medici's products are dedicated to enriching the home through exquisitely crafted materials and elegant designs. Incorporating sustainably harvested woods, stone, ceramic, and glass from around the world, each item is a timeless piece that can be passed down for generations.

Brooklyn Steel

Brooklyn Steel's products are masterfully crafted to provide chef grade tools for any home cook. Incorporating sustainably harvested woods, high carbon stainless steel, the contemporary designed products add a modern feel to any kitchen.

VISION & COMMITMENTS

VISION

Our vision is to push the boundaries of innovation and design within every home goods category.

MISSION

Core Home enhances consumers' homes through beautifully crafted and innovative products that adapt to the needs of every lifestyle.

COMMITMENT

Core Home is committed to consumer safety & social responsibility. We maintain a strong record of successful social audits and internal social compliances pertaining to labor and material use. We are well versed and adhere to all government regulations for product and food contact safety. Our factories have an outstanding record of achieving compliance from, but not limited to the below agencies.
