FRENCHBULL

Our motto is “Live Vivid!” French Bull expresses the vividist in all of us. French Bull turns things up a notch. It looks like rock ‘n’ roll sounds. French Bull draws outside the lines and has the pop of art. French Bull lets people show their true colors. It’s fierce, fashiony and fun.

JACKIE

Jackie Shapiro is a rebel with a cause — to bring her philosophy of Live Vivid to the world, one fabulously reimagined object at a time. Jackie launched French Bull in 2002 with her now-famous collection of bold, colorful tableware. Today, French Bull is a global brand whose products run the gamut from housewares to travel. A life-long resident of New York City, Jackie’s early days in fashion and music have resulted in a signature style that is vibrant, spirited and energetic.

UNLEASHHAPPY

Happy is how French Bull makes you feel. It’s also the name of our French Bull dog. Happy drives our brand — emotionally and figuratively. Our products are distinctive. And so is our branding. If you see Happy, it’s French Bull.
