IHHS 2019

fizzingbottle

Fizz anywhere, anywhere.
Even when you're hiking.

fizzingbottle

Soda making.
Easier than
ever.

Fizzing Bottle is the first completely portable soda maker. Just fill in the water, insert your CO2 cartridge, and simply twist the knob, voilà!

With vacuum-sealed seamless stainless-steel body, Fizzing Bottle keeps your drinks at your perfect temperature up to 10 hours. The unique dual-ended, dishwasher safe design, allows you to clean your bottle effortlessly.

fizzingmini

So light, super bubbly.
Your perfect companion
on the go.

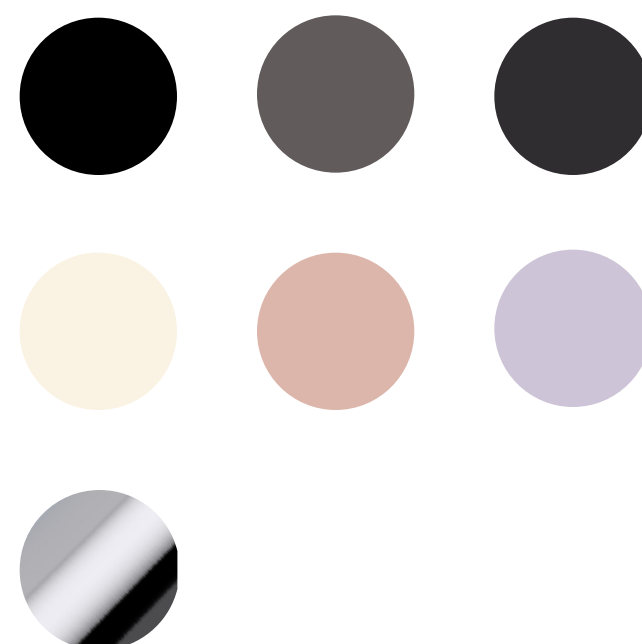

fizzingmini

Anywhere.
Anytime.

Fizzing Mini is everything you love and crave about Fizzing Bottle, now comes in a much lighter, handier version. It fits into any bag like a regular water bottle. The vacuum-insulated, stainless steel Fizzing Mini fizzes your drinks anytime, anywhere.

The dishwasher safe bottle inherits the dual-ended design excellence from the original Fizzing Bottle, it is low maintenance, and easy to clean.

flippingbottle

Double ended, perfect for
your protein shake in your
workout session.

flippingbottle

Double openings.
Double the fun.

Dishwasher safe body with two openings, vacuum insulated, durable medical stainless steel, and the innovative easy-twist carbonation design; everything above makes Fizzing Bottle the first portable bubble infuser. It can easily fit into any bag like a regular water bottle.

And now, we've made a MINI version, quenching your thirst for soda drinks has never been more convenient.

flippingmini

Your go-to water bottle to
keep up with your active,
creative lifestyle.

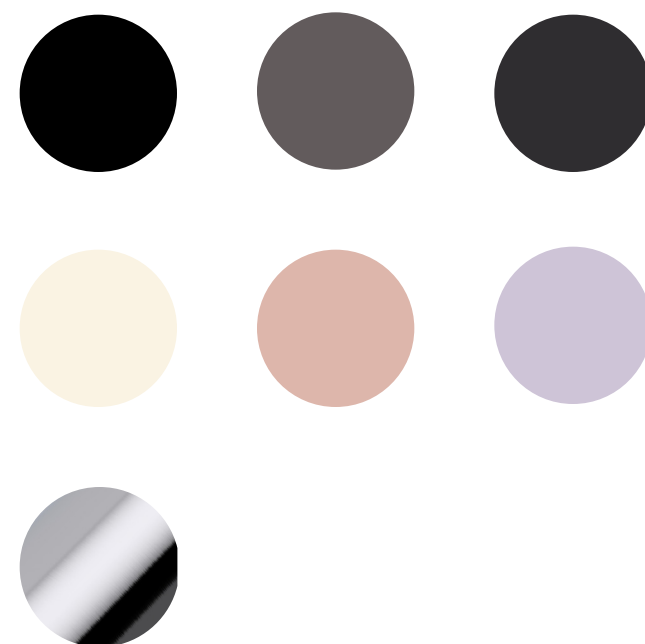

flipping**mini**

Creative lifestyle
in no small way.

Dual-opening design allows us to offer multiple bottom and top caps for a variety of different functions, so your Flipping Bottle is ready to keep up with your creative lifestyle. The insulated #316 stainless steel body keeps your drinks at your preferred temperature.

We now make a miniature version as well. The mini comes with all of the convenience of the original, making it a small bottle with big potential.

COLOR OPTIONS
