MoMo's Shanghai Rummy

*This isn't your mother's rummy.
It's your grandmother's.*

MoMo was our chain-smoking, Early Times-drinking, (alleged) mob-connected grandmother. She created this twist on classic rummy with lots of jokers where buying and stealing cards is allowed & encouraged.

These cards come in MoMo's classic 1970's cigarette purse that's perfect for keeping the cards, a score pad, and a small pencil handy.

YOUR HOLIDAY TRADITION ELEVATED

EVERYTHING YOU NEED
TO ORGANIZE YOUR
HOLIDAY GIFT EXCHANGE

What is it?

- 35 numbered tokens shaped like ornaments. We know...we're adorable.
- 100 stolen stickers. Those should last you a few years unless you are a truly sadistic group. But don't worry, you'll be able to order refills.
- Santa's bag. Probably smaller than you thought it would be but it's magic, so in this case size truly doesn't matter.
- Official rules. To keep the cheating family members in line.
- Funky fresh ways to play.

WHATEVER YOU CALL IT, WE HAVE THE PARTY KIT.
