“Minky is the fastest growing premium brand in the UK homecare market”

Established in the UK in 1941, Minky Homecare are world leaders in laundry hardware and textile manufacture.

Minky is the UK’s number one brand in the laundry market, with Minky ironing boards and covers found in over 70% of UK homes. We are the proud holders of both the Royal Warrant, granted as a supplier of premium quality products to the Royal Household, and the Princes Warrant, awarded for product excellence and a commitment to the environment.

We have a strong reputation with our customers and supply major retailers across the UK, Europe and USA with a selection of high quality, innovative, Minky branded laundry, cleaning and homecare products, as well as also supplying many retailers under their own brand.

Our dedicated in house product design team delivers a constant stream of product innovation which drives market growth and reinforces our leadership in the market.

Sink Side Storage

Minky's new and innovative sink side storage products offer practical, beautifully made solutions for safely drying and storing crockery, cutlery, glassware, pots, pans and utensils.

The new range has been carefully designed, in the UK, to meet the needs of all types and sizes of households. Constructed from premium materials, including sturdy ABS and high grade stainless steel, these products will keep the sink side looking neat and tidy for years to come.

Foldaway Dish Rack

Folds away when not in use

This cleverly designed dish rack folds away to a small compact size that can be stored away or left on the countertop. It can easily hold up to five full size plates and a selection of cups, bowls, glasses and cutlery. The optional drainage spout allows the water to flow back into your sink or straight through to the draining board.

- Folds away when not in use
- Main compartment drains directly into the sink
- Removable plate racks make drying space more flexible
- Large capacity
- Features cutlery caddy, plate rack and accessory tray
- Premium ABS plastic
- Easy to clean

Extending Dish Rack

Slide out tray for extra draining space

With its extending tray for extra drying capacity and plate rack for up to eight full size plates, this dish drainer packs a big capacity into a small footprint. The cutlery caddy and self-draining drip tray can be arranged at either side of the rack for ease of use and total flexibility.

Twin Tier Extending Dish Rack

Slide out tray for extra draining space

The stylish, twin tier extending dish rack offers an extending tray and a multi position cutlery caddy to help deal with the largest piles of washing up. This contemporary design not only offers maximum capacity but features a dedicated wine glass rack, a self-draining drip tray to direct water back into the sink and a kitchen knife holder for drying large knives safely, as well as protecting sharp blades.

Twin Tier Extending Dish Rack

Two tier construction for maximum capacity

Wine glass hanging rack

Multi position cutlery caddy with drip tray

Knife block for safely drying kitchen knives

Self-draining drip tray directs water back into the sink

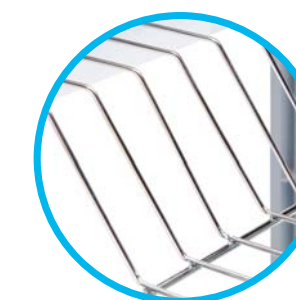

Two tier construction for maximum capacity

Slide out tray for extra draining space

Easy to clean

Stainless steel wire rack

Sink Side Storage

UtensilCaddy

Safely drains and stores kitchen knives, cutlery and utensils

- Protective guard prevents damage to knife blades
- Removable drip tray with draining spout
- Non slip rubber feet
- Premium ABS plastic

Anti-bacterial Drying Mat

Measures 46 x 41 cm (18" x 16")

Anti-bacterial Drying Mat

- Super absorbent microfibre
- Stays fresher for longer
- Prevents water residue from marking glass rims
- Quickly draws away moisture
- Mesh layer for faster drying

SinkTidy

Storage for cloths, brushes, sponges and washing up liquid

- Removable hook allows caddy to be positioned on or in the sink
- Removable drip tray with drainage spout
- Separate brush compartment
- Slimline design easily fits in and around most sinks
- Premium ABS plastic

FOR EVERYDAY FOOD WASTE

Available in white or grey

Compost Food Caddy

Space-efficient caddy for storing waste food

- Internal removable liner for use with or without biodegradable bags
- Includes hanging bracket
- Sturdy carry handle
- Take apart for easy cleaning
- Non-slip feet

DampGuard

The Minky Damp Guard is a preventative solution, designed to help eliminate mould, odours and condensation in the home, garage, caravan and other indoor spaces. The compact and sleek design is suitable for use throughout the home to help remove excess moisture and condensation build up. Featuring fast action Minky tablet technology and a wide profile anti-spill base, the Damp Guard has been designed to absorb and collect moisture as quickly as possible.

DampGuard Dehumidifiers

Adjustable moisture absorption control

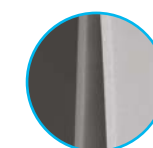

Easy tablet replacement

Fast action dehumidifying tablet

Captures and holds 0.5L (0.1 gal) of excess moisture

Pouring spout for easy emptying

Strong, double walled construction

Visible liquid level

Anti-spill wide profile base

Ironing Boards

Minky has the most advanced ironing board manufacturing unit in the world – based in the UK.

We manufacture a wide variety of sizes and styles of ironing boards with unique features to meet the needs of a broad range of consumers. Minky ironing boards are designed and manufactured to a consistent high standard and feature the Minky universal height mechanism. We hold various quality accreditations such as ISO 9001 and BRC whilst only using high quality CR4 grade steel. All boards are coated with an anti-rust protection and durable powder coated finish.

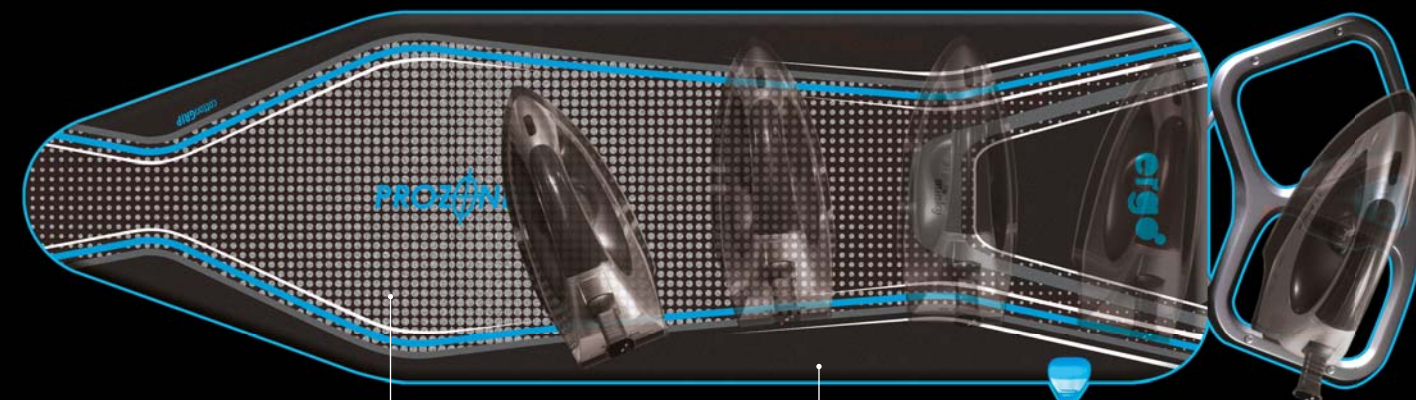

Our bestselling innovative boards are the Minky Ergo range and the Hot Spot Pro with its 'Hot Spot' multi-positional silicone rest. We have a continual stream of new product innovation including a cleverly designed Steam Generator ironing board with a unique cover and underlay and our new Velocity board featuring PearlActiv technology.

Ironing Board Covers

Minky ironing board replacement covers are manufactured in the UK in our state of the art textile conversion unit, which guarantees consistently high quality production and long lasting product performance. We manufacture a full range of sizes and styles to fit the many different shapes of ironing boards available throughout the world. Minky Design Collection covers are refreshed each season to reflect the latest design trends and we also design and produce unique patterns for retailer's own label ranges.

Our bestselling ranges are Minky Smart Fit, which fits all standard sized boards and Minky Deluxe, which features a nose pocket and extra thick felt backing for a perfect fit – both of which are also available with a metallic reflector surface for faster ironing results.

Indoor Drying

Minky manufactures a wide range of sizes and styles of indoor dryers to meet a variety of differing household needs. All our range is uniquely designed in the UK and produced to a very high standard, with many products covered by international patents. Only high quality steel is used for manufacture to guarantee strength and long lasting performance. All of our range has been upgraded with new colours for the plastic mouldings and durable silver powder coating for the metalwork.

Our bestselling dryer is the Minky 3 Tier Plus with its extra large 21m (69ft) drying capacity, wider rung spacing for improved airflow and flip out corners to hold 12 hangers.

Outdoor Drying

Minky outdoor rotary dryers have been designed in the UK, with unique performance and safety benefits, many of which are patent protected. We offer three different ranges, Easy Breeze, Extra Breeze and Rotalift, all of which are simple and easy to operate and are fully rotating for easy loading. Each range is available in a variety of sizes to fit most garden spaces and include different features to meet the laundry drying needs of every household.

RoTaLift
Outdoor Drying

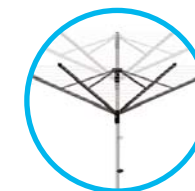

Our top of the range Rotalift is a premium, extra strong outdoor rotary dryer. The many features, including pulley opening system, multi height mechanism and tangle-free lines, deliver simple and effortless use.

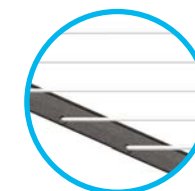

ENCLOSED MECHANISM
Simple and safe one handed operation to open and close

PULLEY SYSTEM
For easier opening and less strain

MULTI HEIGHT
Set the height to suit you for easy loading

MULTI POSITION LINE TENSIONING
Lines stay taut and do not sag

HEAVY DUTY CONSTRUCTION
'U' shaped arms and aluminium pole provide extra strength

INDIVIDUALLY STRUNG LINES
Ensure that lines do not tangle

EXTRA STRONG WEATHER PROTECTION
Galvanised and powder coated arms provide longer lasting weather protection

GROUND SOCKET
Concrete in for secure installation

EXTRA BREEZE Outdoor Drying

EASY BREEZE Outdoor Drying

The Extra Breeze range of outdoor rotary dryers offer durability and simplicity with their double weather proof coated arms and no tangle, stay taut lines.

The Easy Breeze outdoor rotary dryer range is simple and safe to use and can be re-tensioned according to usage and load.

EXTRA BREEZE MECHANISM
Simple and safe one handed operation to open and close

8 POSITION RATCHET
Allows lines to be tensioned according to usage and load

INDIVIDUALLY STRUNG LINES
Lines stay taut and do not sag

EXTRA WEATHER PROTECTION
Galvanised and powder coated arms provide longer lasting weather protection

GROUND SOCKET
Concrete in for secure installation

EASY BREEZE MECHANISM
Simple and safe one handed operation to open and close

8 POSITION RATCHET
Allows lines to be tensioned according to usage and load

WEATHER PROTECTION
Zinc plated finish for long lasting weather protection

NEW REVOLUTIONARY TWIST & LOCK MECHANISM
Strong, quick and easy locking mechanism

INCLUDED GROUND SOCKET
Concrete in for secure installation

Cleaning

Minky was the first company to directly supply UK supermarkets with packaged cleaning products in the 1960's. We remain the UK market leaders in cleaning product innovation and today Minky is the fastest growing premium brand in the UK cleaning market.

ANTI-BACTERIAL AND ANTI-GREASE

Scouring Range

Minky's new premium scouring range offers unique features and benefits. Each product has been treated with an advanced anti-bacterial formulation and anti-grease protection for a longer lasting cleaning performance.

The anti-bacterial formulation prevents the growth of bacteria for a hygienic, germ free clean and the anti-grease protection helps to keep the scouring pad clean by repelling grease, ensuring the scrubbing pad lasts longer.

BIGGER BETTER PACK

Heavy Duty Wash Pads 4pk

- Anti-bacterial and Anti-grease
- Larger size
- Stays fresh, lasts longer
- Finger grip profile to protect nails and improve grip

BIGGER BETTER PACK

NON SCRATCH POWER

Mighty Scrub

- Powerful cleaning
- Firm in cold water and soft in warm water
- The most powerful non scratch scrubber
- Lasts and lasts
- Rinses clean every time

Minky M Cloths contain a high density microfibre structure that provides up to 7x more cleaning power vs. standard microfibre cloths. The microscopic fibres clean brilliantly well and have significantly greater contact with the surface they are cleaning, creating a capillary action to absorb away dirt and moisture – without the need for chemicals.

M Cloth Glass & Window

- Premium microfibre cloth
- Removes all dirt and marks easily – no need for chemicals
- No streaks or smears

M Cloth General Purpose Cloth

- Premium microfibre cloth
- Captures dust and dirt with ease
- For dusting, polishing and general cleaning

Anti-bacterial Cleaning Pad

- Dual sided for washing up & wiping down
- Anti-bacterial - stays fresher longer
- Non scratch technology

M Cloth Kitchen Cloth

- Raised weave effect for shifting stubborn stains
- For chemical free cleaning
- Premium microfibre cloth

Home Improvements

DECORATOR CLEANING

Coming Soon!

“Every home improvement job starts and ends with cleaning!”

Minky's new Home Improvements range provides all the cleaning products needed to help aid:

- Surface Preparation
- Spot Cleaning
- Clean Up

Without the correct tools, the end result of any decorating job can be affected. Cleaning and preparing surfaces well will make the job easier, having a cloth to hand for any unexpected spills can prevent long term damage and the final clean-up is equally important to showcase the final results!
