KingZak INDUSTRIES, INC

INNOVATIVE & EVERYDAY DISPOSABLES

Est. 1985

Since the opening of our doors in 1985, King Zak Industries has become a global leader setting the standard in manufacturing, marketing and distribution of disposable and non-disposable products. Our portfolio is comprised of over 4,000 products, ranging from upscale, elegant and sophisticated table top settings to everyday household essentials. Our emphasis is on both quality and presentation and we are constantly designing, creating and showcasing new products for our evolving market segments.

King Zak Industries has become a leader in the retail arena, servicing both independent stores and major retail and grocery chains. Our experience in the institutional market makes us a valuable resource, providing services to the catering and food service industries. Our network encompasses both customers locally, as well as national and international corporations, giving us both a regional presence and an extensive international distribution network.

Our goal is to provide the best possible prices without compromising on our high standards and exceptional quality. We strive to form strategic alliances with our customers and continue to have tremendous success providing a platform for them to grow and expand their horizons.

Our streamlined state-of-the-art offices and distribution facilities exercise best practices to ensure our customers the highest level of efficiency from purchase order processing to product delivery. We own and operate our own fleet of trucks and trailers, ensuring your orders are handled with care and delivered on time.

We welcome you to our corporate headquarters and showroom where you will have the opportunity to see our complete line of products, our distribution center in action, and meet our team.
