COOKWARE
2019 CATALOG

THE ROCK®

The ROCK is the only cookware collection that uses our **patented Rock.Tec manufacturing process** to strengthen and densify the surface of the pan, creating a rock like finish that stands out for its extended durability, enhanced non-stick performance and long lasting corrosion resistance.

This collection will quickly become the go-to cookware choice for the experienced home cook and novice gourmet.

THE ROCK[®]

- **Extra Thick Forged Aluminum Base**

- ✓ 40% better corrosion resistance
- ✓ Quick and even heat distribution
- ✓ Lifetime warranty against warping

- **Rock-Like Finish**

- ✓ 50% harder and 40% more resistant to abrasion
- ✓ Outstanding durability and performance

- **4 layer Internally Reinforced Non-Stick Coating**

- ✓ 3 time better non-stick performance (with Rock-Like finish)
- ✓ Better scratch and wear resistance
- ✓ 10 year warranty

Our unique manufacturing process uses small steel pellet impact technology to modify the surface to form an ultra durable rock-like finish. The result is an outstanding release performance, 3 times better than traditional non-stick cookware.
