MULTI-PURPOSE MAT

Breathable, massaging comfort

Patented **EVA Foam** relieves pressure & absorbs shock. Promotes circulation while sitting, standing or kneeling. Open grid allows cooling airflow & quick drying when wet.

THREE COLORS: BLACK  GRAY  GREEN 

SIT

17.5" x 17.5" MSRP \$39.95

Ideal for any hard chair around the home or office. Also great for use in boats and kayaks. Even already soft surfaces like camp chairs are transformed into an easy-drying, springy surface.

STAND

27" x 18" MSRP \$49.95

Great for relieving stress in the office at stand-up desks, or at home in the kitchen, laundry room, craftroom or garage.

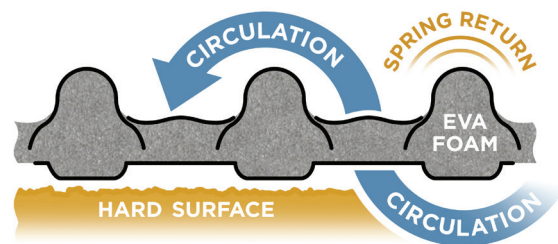

KNEEL

18" x 11" MSRP \$19.95

The perfect toolbox companion for household chores that involve kneeling. Also well suited for gardening, camping, fishing and bleachers.

In addition to improving comfort on virtually any surface, the unique 3-D

open grid construction allows for free-flow air circulation promoting rapid drying. This makes the Pad-It mat ideal for often-wet environments like boat and kayak bottoms.

Perfect for outdoor activities.
It floats!

Revolutionary **3-D design** relieves pressure and absorbs shock to promote proper circulation. It diminishes knee, leg, back and foot discomfort while standing, kneeling or sitting.
