# Company profile

We are pleased to present to you our new selection for 2018

This catalogue contains the 150 bestsellers of our complete range which covers around 4,000 articles. The experience of 40 years of cooperation with the mail order business (catalogue, TV & Internet) has shown us that our ranges have become widely accepted and have succeeded in the market place in terms of their quality and volume of sales.

When looking through our catalogue you will notice that we don't look to offer an enlarged range of an individual product, but concentrate more on just one or two different models of an item. This allows us to be more focused on our ranges & select only individual lines that meet our customers' criteria.

We have offered the bestsellers of our two brands in colour packaging since 2012. The close relationship we have had with the mail order business has helped create some 'real gems', that we can now present to a broader public, by offering the distribution into retail stores.

We often select only certain items from our suppliers that can continue to meet our main criteria: Innovative, Handy and Useful products, with high sales potential and generous margins.

The numerous product ranges we offer are divided into two main categories:

- The first range - Genius Ideas® comprises of household aides and accessories to simplify daily life. These items which are often described as gadgets, are especially of favour with customers who are always keen on the latest novelties.
- The second range - Welllys® comprises of our beauty and well-being products as well as our range of goods designed to assist the elderly. Since the mail order business originally addressed an older target group, we were able to gain widespread experience in terms of a successful assortment of products for the elderly & infirm. By now offering these ranges to the retail sector, we are able to make a lot of these unknown lines available to a much larger consumer group.

For this reason, GD Import has come up with many 'Promotional Sales Solutions' for your POS: Attractive Colour Packaging, Various Countertop Displays, Presentation Boards, Stand-up Displays for quarter and full pallets as well as Video Displays. All you need to do is just choose the most favourable POS solution for your business.

Thanks to our strong global network our group supplies to every continent across the globe, in part from our stocks we have warehoused locally, as well as direct from our production sites.

As a regular global exhibitor, you will find us at many events including the following international shows:

- Hong Kong - Houseware HKTDC, Mega Show Kenfair
- Germany - Ambiente in Frankfurt
- United Kingdom - Autumn/Spring Fair NEC Birmingham

- Additionally we can be found on various partner booths at many other shows.

Our network enables us to create and develop our own products and to ensure an exclusive distribution of individual articles across a wide global area.

# Présentation de la société

Nous avons le plaisir de vous présenter notre collection 2018.

Ce catalogue expose 150 bests sellers de notre gamme qui compte plus de 4000 produits.

Fruit de 40 ans d'expérience auprès des principales sociétés de Vente A Distance (Catalogue, TV & Web), ces produits ont tous fait leurs preuves, aussi bien en terme de ventes, que de qualité.

Depuis 2012, nous proposons nos bests sellers en boîtes couleurs sous nos deux marques. La filière de la VAD est un circuit fermé. Elle détient de réelles perles que nous proposons d'offrir à un plus large public, via le marché du Retail.

À la lecture de ce catalogue, vous noterez que nous ne travaillons pas nos gammes en profondeur.

Nous ne retenons bien souvent que quelques produits chez nos fabricants. Ceux qui répondent à nos critères :

Innovant, Pratique, Confortable et ... à fort potentiel de marge.

Nous couvrons de nombreuses familles de produits que nous groupons sous deux univers :

- Le premier univers, Genius Ideas®, est composé d'articles conçus pour faciliter la vie et l'exécutions de tâches ménagères.

Souvent qualifié de « gadgets », ils sont plébiscités par des consommateurs avides de nouveautés.

- Le deuxième univers, Wellys®, est composé d'articles pour le bien-être, la beauté mais aussi le confort des séniors. La VAD s'adressant historiquement à une population de Séniors, nous avons acquis une expertise pour répondre à leurs besoins. Cette gamme encore inconnue en grande distribution est dorénavant disponible à tous.

De nombreuses solutions de mise en avant sont disponibles : Emballage attractifs, présentoir de comptoir, présentoirs muraux, présentoirs quart-palette, présentoirs palette, Vidéos displays.

À vous de choisir comment mettre en avant les produits que vous retenez.

Fort d'un réseau mondialisé, notre groupe livre sur tous les continents depuis des stocks locaux ou en direct des sites de production.

Exposant régulier sur les principaux salons internationaux, retrouvez-nous :

- Hong Kong (Houseware HKTDC, Mega Show Kenfair)

- Allemagne (Ambiente Frankfurt)

- Angleterre (Autumn/Spring Fair NEC Birmingham)

- USA (Houseware Chicago)

- ... sur les stands de nos partenaires.

Ce réseau nous permet de développer nos propres produits ou d'assurer la distribution de produits exclusifs.

Contactez-nous dès maintenant pour bénéficier d'une offre produits renouvelée de 1000 articles par an. Simple client ou distributeur exclusif, nous sommes ouverts à tout partenariat.

## Firmenprofil

Wir freuen uns, Ihnen unsere Kollektion für 2018 zu präsentieren!

Dieser Katalog beinhaltet die 150 Bestseller unseres 4.000 Artikel starken Sortiments.

Die Erfahrung aus 40 Jahren Zusammenarbeit mit dem Versandhandel (Katalog, TV und Internet) zeigt uns, dass sich diese Produkte in punkto Qualität und Absatz deutlich durchsetzen und beweisen konnten.

Seit 2012 bieten wir unsere Bestseller unter unseren zwei Marken in Farbverpackung an. Der geschlossene Kreislauf des Versandhandelszweigs verfügt über wahre Perlen an Produkten, die wir durch die Vermarktung im stationären Handel nun einem größeren Publikum vorstellen können.

Beim Durchgehen des Katalogs wird Ihnen sicher auffallen, dass wir unsere einzelnen Sortimente im Hinblick auf die Anzahl der Artikel nicht vollständig ausbauen.

Häufig selektieren wir nur einige Produkte unserer Lieferanten, die unseren Hauptkriterien entsprechen – sie müssen innovativ, praktisch und nützlich sein und zudem ein hohes Verkaufspotential mit gut kalkulierbarer Marge bieten.

Die zahlreichen Produktfamilien, die wir anbieten, unterteilen wir in zwei Produktwelten:

- Genius Ideas® ist unsere Linie an Alltagshelfern und Haushaltsartikeln. Diese oft als Gadgets bezeichneten Waren finden insbesondere bei den auf Neuheiten erpichten Verbrauchern äußerst großen Anklang.

- Wellys® umfasst unsere Serie an Produkten rund um Schönheit und Wohlbefinden wie auch Komfortartikel für Senioren.

Da sich der Versandhandel ursprünglich an eine ältere Zielgruppe richtete, konnten wir hinsichtlich eines erfolgreichen Sortiments umfassende Erfahrungen im Bereich der Seniorenartikel sammeln. Dieses bisher im stationären Handel nahezu unbekannte Segment bieten wir von nun an einer breiten Kundengruppe an.

Hierfür hält GD Import zahlreiche verkaufsfördernde Lösungen bereit: Attraktive Verpackungen, Thekendisplays, Wandständler, Aufsteller auf Viertel- oder Komplettpaletten sowie Video-Displays - wählen Sie selbst Ihre geeignete Form der Produktpräsentation!

Dank eines starken weltweiten Netzwerkes beliefert unsere Gruppe teils ab hiesiger Läger wie auch ab Produktionsstätten alle Kontinente.

Sie finden uns regelmäßig als Aussteller auf folgenden internationalen Messen:

- Hong Kong (Houseware HKTDC, Mega Show Kenfair)

- Deutschland (Ambiente Frankfurt)

- Großbritannien (Autumn/Spring Fair NEC Birmingham)

- USA (Houseware Chicago)

- ... auf Partnerständen.

Unser Netzwerk ermöglicht uns die Kreation und Entwicklung eigener Produkte sowie die Vergabe exklusiver Vertriebsrechte für einzelne Artikel.

Nehmen Sie Kontakt zu uns auf und profitieren Sie von einem Sortiment, das jährlich rund 1.000 Neuheiten vorstellt.

Ob Neukunde oder Exklusivvertriebspartner, wir freuen uns auf Ihre Anfrage!
