

The logo for Talisman Designs features the word "TALISMAN" in a large, bold, white sans-serif font, with "designs" in a smaller, lowercase, white sans-serif font below it. The text is set against a background of overlapping, semi-transparent circles in various colors including purple, blue, green, and yellow.

## 2020 PRODUCT CATALOG

# THANK YOU FOR PURCHASING OUR ORIGINAL TALISMAN DESIGNS PRODUCTS

Thank YOU for your business and your trust in our award-winning products. We are proud of our product design, customer service and, most of all, working with you.

Our 2020 goals are to:

1. Invent and design products to solve problems and generate smiles from all of our consumers
2. Provide superior customer service to nurture a long-term partnership with our customers
3. Support Perspectives, a local non-profit, to strengthen our community (see below)

Thank you again for your business. We look forward to working with you in 2020.

## PRODUCT QUALITY AND SAFETY

All of our products are stringently tested. They are FDA safe and BPA/Phalate free.

All of our items are dishwasher safe EXCEPT for the wood items. We always recommend you hand-wash wood items.

Perspectives is the largest therapeutic supportive housing program for women and children in Minnesota, housing over 75 women and over 130 children annually. Their services are extensive and span from recovery and mental health programs for both women and children, to job readiness and parenting education. Talisman Designs and Perspectives share the belief that creating a safe, comfortable and nurturing environment is the first step for a mother and her children to rebuild what poverty, addiction and mental illness has taken away.

## Save Fresh Herbs

Herbs stay fresh longer by keeping them damp and cool. Simply dampen herb filled bag, roll tight with ties and store in fridge.

## Keep Fresh Herbs

3 pockets help collect, organize and keep herbs so flavors/smells stay separated. Long ties keep bag close to body to make collection easier.

## Dry Herbs

2-in-1 bag can also be used to easily and neatly dry out collected herbs.
