

Reusable Straw Collection

*Providing solutions to end single use plastics,
one straw at a time*

NEW! Paper Straws

Add a little glitz, glam, and fun to your life! Compostable paper straws are ideal for parties, camping, backyard cookouts, or even tucked into lunch boxes.

Can be used in both cold or hot beverages and are made with food safe ink and FSC paper. Simply toss away, guilt free, because they're bio-degradable!
