About Us

O2COOL is all about giving our customers unexpected solutions to everyday problems. Our products are smart, and they meet day-to-day human needs. But they're more than that. They're ordinary objects with an extra twist. They're clever and witty. They make everyday occasions and tasks just a little better. Not only better, but fun.

TREVA™

BATTERY POWERED

All our items run on batteries which make them great for power outages.

COMPACT DESIGN

Foldable and slim design make our fans easy to store.

100% PORTABLE

All our fans are lightweight and easy to carry.

MULTIPLE SPEED OPTIONS

A quiet breeze or a powerful wind, you choose your own comfort.

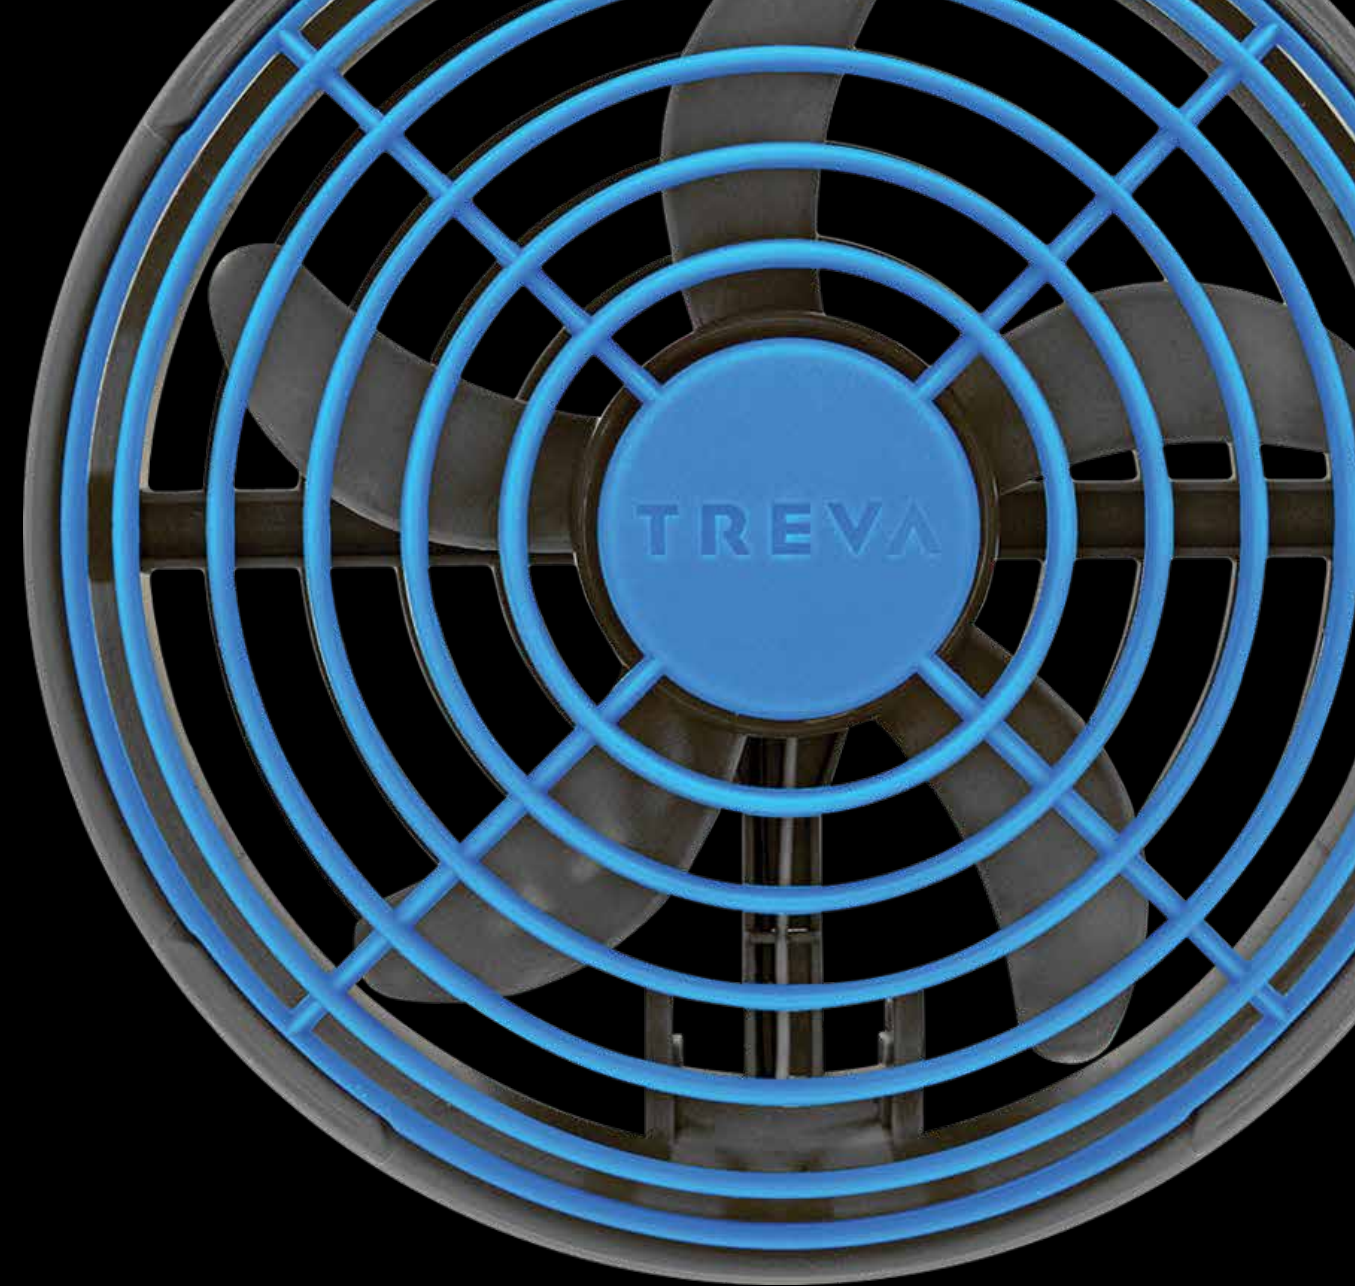

MULTIPLE POWER OPTIONS

There are a number of options to power our fans; AC, USB, battery and rechargeable. We have all your bases covered.

AFFORDABLE

Affordable fans with an affordable cost of ownership.

A breath of fresh air

Treva™ is the last word in personal comfort. We provide high-quality fans that keep customers comfortable, regardless of the season. Our name means “home by the sea” which makes sense, because our products are as comfortable as a refreshing ocean breeze. They’re also built to get the job done, whether they’re battery-operated or USB powered. They work. Period.
