Cookware Set

Cookware Set

Wok

SKU: CS1024
Color : Blue+Black
Weight : Glass Lid: 905g
Body: 1035g
Total: 1940g
Dimension : $\varnothing 300 \times 99 \text{mm}$
Volume: 5.6L

Fry Pan

SKU: CS1025
Color : Blue+Black
Weight : Glass Lid: 800g
Body: 900g
Total: 1700g
Dimension : $\varnothing 280 \times 61 \text{mm}$
Volume: 3.1L

Casserole Pot

SKU: CS1026
Color : Blue+Black
Weight : Glass Lid: 640g
Body: 1250g
Total: 1890g
Dimension : $\varnothing 240 \times 133 \text{mm}$
Volume: 5.2L

General Instruction

1. Aluminum material has great and fast thermal dispersion properties.

2. Premium Korean ceramic surface coating for better durability, tougher and long lasting. Excellence non-stick performance.

3. Extra layer of thermal sprayed coated on IH (Induction Heat) stainless steel bottom for a seamless looking design and improved heat distribution. Provides excellent energy efficiency, minimizes heat loss, and prevents discoloration that allow you to use for a long time, in contrast with traditional bare IH bottom cookware.

4. Safe and eco-friendly coating material that are PTFE-free, PFOA-free, Cadmium-free and Lead-free; Product are SGS tested for FDA and LFGB approval. It is safe and healthy.

THANK YOU!
