OCEAN-FRIENDLY LUNCHWARE

Plastic-free and leak-free, the Blue Water Bento collection makes going green at lunchtime a breeze. Its plastic-free silicone lids make our lunch boxes leak-free but still eco-friendly. You can help prevent plastics polluting our oceans by packing in our ocean-friendly reusable lunch boxes and bags.

ONLY 1% OF PLASTICS ARE RECYCLED. THE REST IS DISCARDED IN LANDFILLS AND OUR OCEANS, RESULTING IN LARGE TRASH GYRES.

FROM ONE MOM'S KITCHEN TABLE TO THE WORLD

ECOlunchbox was born of the idea that change can begin at lunchtime. I wanted to make a change in how I packed my family's lunches - to cut out the plastic and do the right thing for our health as well as Mother Earth.

It makes me happy to know that our products have empowered people to say goodbye to plastic at lunchtime! And in providing our products as tools to help people green their habits at lunchtime, we've also opened their thinking to moving beyond plastic in other parts of their life.
