CHARLESVIANCIN®
INSPIRED BY NATURE®

THE MAN BEHIND THE BRAND

Nature's imagery is infinite and has always motivated me to design functional products for the kitchen and home that are inspired by its beauty. As I continue to search for new inspirations, I looked to nature's hardier and stronger offerings to create a new range for 2018.

Kiwi™, Citrus™ and Watermelon™ add a new dimension to the Charles Viancin® assortment, offering more contemporary designs and funny colors that will work in modern kitchens to outdoor BBQs.

It is with great joy and happiness that after 10 years I can continue to create and offer new and dynamic inspirations to you and your customers.

I now invite you to discover and enjoy our 2018 assortment.

SUMMARY

- 4 | KIWI

WHAT IS FOOD GRADE SILICONE?

Charles Viancin® products are food-grade safe and BPA free which is integral to our health. Materials & Additives used exceed European (LFBG) and US Food & Drug Administration (FDA).

CREATES AN AIRTIGHT SEAL

to keep food fresh for longer and seal in heat during cooking.

DISHWASHER SAFE.

SAFE AT EXTREME TEMPERATURES.

Microwave and Oven safe up to 428F/220°C and freezer safe down to -40F/-40°C.

Made from the highest quality food grade silicone for **Baking, Steaming, Cooking and Reheating.**

■ KIWI™

LID

11" | 10401 | x 6 | 

9" | 10402 | x 6 | 

8" | 10410 | x 6 | 

Create an airtight seal to keep your food fresher longer.

For cooking, our lids are great to use as splatter guards or use as extra lids for the stove top, steaming in the microwave or for baking in the oven. They are safe to 428F/220°C.
