

Empressa Steam Press

Empressa Digital Steam Press is the perfect choice for a quick and easy to use alternative to conventional ironing. The Empressa Steam Press has a massive pressing area that will quickly eliminate wrinkles and put a crease into the toughest fabrics. The LED display and advanced technology computer temperature control presses items to perfection.

Empressa Steam Press provides professional wrinkle free pressing without the cost and the hassle of going to the dry cleaners. The Empressa Steam Press has a large 34" x 12" pressing surface that will cut down on your ironing time and effort. The massive pressing surface area is 10 times the size of a traditional iron and reduces pressing time by up to 70%. Empressa Steam Press quickly eliminates wrinkles and puts a crease into the toughest fabrics. The steam press is easy to use just pull the handle down for about 1 second, press the button for a burst of steam, then raise the handle up and your items will be perfectly pressed. No more need for an iron and ironing board.
