2016

We're obsessed with the power of great design. With innovations that make life easier, better and more fun. And with products that anticipate what customers need before they even realize it.

— IT'S WHAT'S NEXT.

A blurred image of a long, winding road in a rural setting, with a smartphone in the foreground showing a home screen with various app icons.

**THE LONG AND
WINDING ROAD
SHOULD HAVE
NO DISTRACTIONS.**
