

Sienna™ LUNA plus

Steam Cleaning System

The Art of Cleaning

The Luna Plus Steam Cleaning System is a giant leap forward in cleaning innovation from Sienna that eclipses the competition.

Luna Plus is the first steam cleaning system of its kind combining Sonic Micro Pulse Vibration Technology (patent pending) and 3 levels of adjustable steam control with illumination from a powerful LED light source. The Micro Pulse Vibration feature assists the mop across the floor surface; the sonic effect loosens dirt and grime. The revolutionary Sonic Micro Pulse Vibration Technology provides a scrubbing effect that reduces your cleaning time and effort. The Luna Plus shoulder strap makes the unit portable, the various cleaning accessories allow you to clean windows, countertops, bathrooms, kitchen fixtures, children's toys and even BBQ grills.

Features

- Easy assembly, no tools required
- 25 ft power cord, 180 degree swivel and extremely low profile cleaning head
- 15.2 oz (450 ML) easy-fill water tank
- Unit stands upright on its own
- 1500 watts of steaming power in seconds
- Energy saving power shut-off
- 12 piece above floor accessory kit

Luna Plus unit includes carpet glider kit, 2 washable Eco Microfiber cleaning pads, a custom fill cup, 12 piece accessory kit and a storage bag with a cleaning steaming head, window squeegee, eco microfiber pad, 4 nylon brushes, 2 brass brushes, concentrator nozzle, extension hose and a shoulder strap.

Germ sensor

Black light feature highlights areas that need cleaning or may have been missed allowing you to clean with more confidence.

Cleaning head

Surface is 6" x 13" wide, uses a heavy duty Eco Microfiber pad that is washable, reusable and attaches easily, a carpet glider is also included.

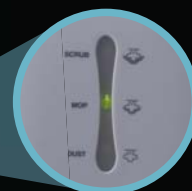

Easy-fill water tank

Has an LED light to indicate the water level. The large capacity tank provides up to 20 minutes of steaming power.

Soft touch digital lighted control panel

Initiates all of the unit's functions including power, vibration, LED light, black light and steam level control.

LED light indicator

Indicates steam level selected with colors: Dust (orange), Mop (green), and Scrub (red). Steam levels are designed to clean all types of sealed floors including stone, tile, hardwood and vinyl. It will also sanitize and freshen carpets.

LED light

Illuminates your cleaning path to better find hidden soiled areas behind and under objects.

Accessory Kit Includes:

Cleaning/Steaming Head | Window Squeegee | Eco Microfiber Pad | Nylon and Brass Brushes | Concentrator Nozzle | Extension Hose | Shoulder Strap
