

NC2

ELECTRIC NAIL FILER & CALLUS REMOVER

DESCRIPTION:

PURSONIC-innovation with ease of use

Worlds 1st Electric nail file & callus remover all in one.

The callus remover takes the chore out of smoothing the skin on your feet, along with using the nail file to carefully trim your toes and fingernails into shape within a few seconds. The NC2 is safe, effective and easy to use.
Callus Remover

- Gently & effectively buff away toughened area, dry and callus skins in seconds.
- Safer & more effective than scrapers, which uses blades to cut the skin.
- Easy & comfortable to use unlike pumice stones that requires rubbing
- Includes two roller heads & cleaning brush

Nail Filer

- Great for long Nails
- Easy to handle & pain free
- Cordless, battery operated

*Requires two AA alkaline batteries (not included)
