

AD260

## BAMBOO & CERAMIC AROMA DIFFUSER

### DESCRIPTION :

PURSONIC-Enjoy The Aromatherapy

**Pursonic AD260** Bamboo and Ceramic Aroma Diffuser-Dive into a beautifully relaxing state with fragrance and mood lighting. Inspired by nature and combine with natural materials the AD260 creates a spa-like atmosphere in any room. By adding water and a few drops of your favorite essential oils the unit will instantly release a safe mist of scented vapor into the atmosphere to help stimulate your senses and enable you to sink into a relaxed world of healing and self-balance. This is believed to be the best way to diffuse any fragrance into the atmosphere.

- Ultrasonic transducer vibrates at a steady and high frequency that makes the molecules of water and the essential oils so tiny that it is easily absorbed by the body. This creates the negative ions and moisturizes air & skin allowing you to enjoy the aromatherapy effectively.
- Auto fading changing colors of LED lights that keeps you soothed and creates a relaxed romantic ambience. Includes 2 Aroma Essential Oils  
Eucalyptus: Helps prevent dried skin, energize body and usually used to help prevent colds, flu and other issues that are mitigated with a use of a humidifier.  
Orange: With its sweet & fruity scent this helps freshen air immediately. Helps relieve dry skin ailments, stress and the common cold.
- Safety auto switch-off when water runs out.
- Mini Humidifier, Aromatherapy & Air Freshener all in one. Helps offer an array of health benefits & spa like atmosphere.
- 3 Speed Settings 60,120 or 180 minutes
