

The World's Best  
Food Choppers

Since 1850

**UNIVERSAL®**

# GOURMET FOOD CHOPPERS

3 Classic Universal  
Models to Choose from:

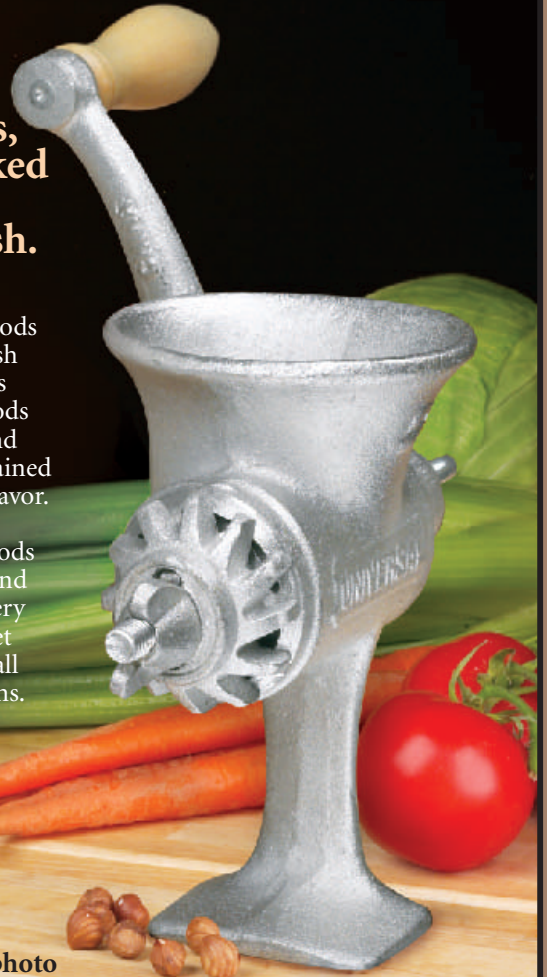

The #1551  
Food Chopper  
is actually two  
choppers in one.  
It is designed to be  
used as a Food  
Chopper or as a  
Meat Chopper.

Perfect  
for fruits,  
vegetables,  
nuts, cooked  
meats or  
cooked fish.

Universal Food  
Choppers cut foods  
and do not smash  
them, this allows  
100 % of the foods  
natural juices and  
flavors to be retained  
for maximum flavor.

They also cut foods  
to a consistent and  
uniform size every  
time for gourmet  
style control in all  
food preparations.

Model #2  
shown in this photo

**Durable Cast Iron**  
A Universal tradition. Durable  
and dependable. Sanitary rust  
resistant finish is easy to clean  
and dishwasher safe.

**Sturdy Clamp Base**  
Securely attaches chopper.  
All choppers include a rubber  
counter protector for easy  
mounting to most countertops.

**Self Sharpening Blades**  
Sharpen each time the grinder  
is used. All choppers include a  
medium cutter plate that will  
handle most chopping jobs.

**Versatile Cutter Assortments**  
All choppers are designed with  
precision sets of cutters that cut  
from fine to coarse. Perfect for  
vegetables, fruits, nuts or fish.
