

CMBS-14

COCONUT MILK BODY SCRUB

DESCRIPTION:

The Pursonic Coconut Milk body Scrub gently removes dead skin to encourage cell renewal and promote a radiant skin tone. Coconut milk provides rich hydration to increase firmness and elasticity while coconut oil heals age damage and reinforce the lipid barrier. Formulated with Coconut Extract and other good-for-you ingredients, your skin will be left feeling silky smooth and smelling like paradise.

BENEFITS:

- Hydrates & Restores
- Scrubs gently remove dead skin cells
- Helps to unclog pores and expose your skin's underlying healthier layers.
- Smooths Skin
- Easy to use
