Home Sweet H2O™ Home

The DualBlast™ Mop Head allows you to burst powerful steam from the front of the mop, letting you target difficult-to-clean areas with blasts of chemical free steam. At the click of a button, go from DirectBlast floor cleaning, to TurboBlast mode, two floor cleaning modes to make cleaning quicker and easier.

Includes all the features of the award winning H2O HD™:

- High Definition cleaning with the power of 1500 watts
- Verstaile and Chemical Free - The H2O HD™ DualBlast™ steamer is ideal for cleaning virtually any surface in your home.
- High-Capacity, LED Backlit, Removable Water Tank with water filter; clean longer than ever before - Up to 15-20 minutes
- Quick-Release Hand Held Steamer allows you to clean every surface of your house
- Foldable Handle for easy storage
- 3-Setting Digital Steam Selection (Low, Med, High) High Definition cleaning for all floor types.
- Built-In Water Filter
- Sleek Mop Head design with a wide cleaning path (31 cm/12 in), for quick and easy cleaning
