SILPURE

SILPURE is a natural protection (GREEN) against odor-causing bacteria which exploits the natural power of silver in stopping the growth of bacteria. Silpure is a registered trademark of Thomson Research Technology.

*Husky central vacuum systems are internationally renowned for their quality, performance and durability and have been for over 45 years.*

*Husky offers the broadest selection of central vacuum systems on the market, including dry hybrid models (with or without filtration bag), wet & dry models and the Husky PRO models, which may clean, vacuum and dry in a single step.*

**25 YEAR WARRANTY\*\***

25 year warranty on all components of the power unit including 5 years on labor.
