

Elite Steam Press

The Elite Digital Steam Press is the perfect choice for a quick and easy to use alternative to conventional ironing. Elite Steam Press has a vast pressing area that will quickly eliminate wrinkles and put a crease into the toughest fabrics. With the Elite's advanced computer controlled digital display and heat settings you are assured perfect creases every time.

Elite provides professional wrinkle free pressing without the cost and the hassle of going to the dry cleaners. Elite Steam Press has a large 25" x 10" pressing surface that will cut down on your ironing time and effort. Elite's large pressing area is 7 times the size of a traditional iron and reduces pressing time by up to 60%. The Elite Digital Steam Press quickly eliminates wrinkles and puts a crease into the toughest fabrics. The steam press is easy to use just pull the handle down for about 1 second, press the button for a burst of steam, then raise the handle up and your items will be perfectly pressed. No more need for an iron and ironing board.

Features

- Advanced computer controlled digital temperature selection to suit all fabrics
- Safe for a number of fabrics including nylon, silk, rayon, wool, cotton, and linen
- Non-stick and anti-shine coating on pressing surface
- Burst of steam feature helps to remove stubborn wrinkles
