What is Kitchen Classics®?

LIBRA, Inc. has been providing first-quality, USA-made kitchen essentials under its Kitchen Classics® brand since 2007. Offering a comprehensive range of oven-safe glass products in the categories of ovenware, mix & measure, and kitchen storage products.

- Produced in a manufacturing facility with over 100 years of glass-making experience.
- Glass vessels are composed of soda-lime (a blend of silica, soda, and lime) to produce crystal-clear glass.
- All glass is lead-free.
- Glass used for bakeware and food storage is tempered to make it resistant to thermal shock.
- Safe for the oven, freezer, microwave, and dishwasher.
- Plastic lids used for food storage are BPA-free.
- Glass is 100% recyclable once the product has reached the end of its usable life.
- Packaging produced from recycled and recyclable materials whenever possible.
- Backed by a 2-year warranty.
