COLOR NON-STICK COATED KNIFE

New England Cutlery® color nonstick coated knife collection is made from high carbon steel for razor sharp edge. Nonstick color coating makes it easy to choose the right knife for the job. The ergonomic handle is designed for comfort holding. 6 knives available in 4 colors:

CERAMIC KNIFE

New England Cutlery ceramic knife collection is made of high strength and density ceramic. The Ceramic blade is totally impervious to acids, juices, oils, salts or other elements; will never rust. Lightweight, extremely balanced in hand; ergonomic handle reduces fatigue during repetitive cutting. Easy maintenance; ceramic does not absorb food elements, allowing just a quick rinse and wipe with a kitchen towel; hand wash or dry with kitchen towel. The entire collection includes 3 knives in 5 colors of the handle
