

# Fabulous new colors from QuanTanium®

## 8 key facts about QuanTanium®

QuanTanium is reinforced with titanium, the lightest, toughest metal known to man. Its key features are:

1. Outstanding resistance to scratching, abrasion and wear due to the titanium reinforcement.
2. QuanTanium is cost-efficient.
3. Resists the damaging effects of poultry fat and high sugar-content foods.
4. It has high gloss to attract consumer's eye.
5. Excellent release (nonstick) characteristics.
6. Can adjust film thickness to change performance levels and cost
7. Totally dishwasher-safe.
8. Comes in a wide variety of handsome colors.
