

NT9180

ELECTRONIC NOSE AND EAR TRIMMER FOR A CLEAN, SAFE AND SMOOTH TRIM

Description:

Pursonics nose and ear trimmer features our unique see-through design. The pursonic nose hair trimmer comfortably removes nose, ear and unwanted facial hair plus details beards and eyebrows with dual-edge blades. Curved, hypoallergenic, stainless-steel blades cut safely and cleanly, without irritating skin or pulling hairs. Men's grooming trimmer features a smart micro-vacuum system that cleanly and powerfully whisks away clipped nose, ear, mustache and facial hair particles as you trim.

Benefits:

- LED Light for pin point accuracy
 - Safe and effective curved blade for clean cut
 - No damage to skin
 - No impairment of hair function
- Protective cap
- Uses 1 AA battery (not included)
 - Power: 1.5V
