ARABICA COFFEE SCRUB

DESCRIPTION:

The Pursonic Arabica Coffee Scrub is rich in Arabica coffee beans and is specifically formulated to actively target cellulite, stretch marks, body acne & eczema with caffeine from only the best Arabica beans. Blended together with highly moisturizing, regenerating and exfoliating oils & salts, and does not include any preservatives or artificial ingredients. The aromatic coffee beans complete the experience of using this scrub, by providing a highly awakening scent and feel.

BENEFITS:

- Body scrubs gently remove dead skin cells
- 14 fl oz
- A long-lasting scent that will stay with you for the rest of the day
- Helps to unclog pores and expose your skin's underlying healthier layers.
- Does not include any preservatives or artificial ingredients
