ACTMAN CORP.

A bout Us

ACTMAN CORP. was established in 1986 in Shenzhen City, located in south east of Guangdong Province in China.

We focus in plastic household items, with strong research & design team, and also committed ourselves as a well-quality controlled factory.

We currently have 150 professional workers, and 20000 square meters of production site. Our products have been sold successfully to North America, Europe, Japan, Southeast Asia, and other countries all over the world.

With our company's main value of "Integrity", "Quality", "Service", we have been growing with customer's support, and we do believe that we can also contribute to your esteemed company.
