AfterGlow Echo Valley

SOLAR BOTTLE LANTERN KIT

(Patent Pending)

Transform any empty bottle into a stunning nighttime lantern! Soothing, twinkling LED lights will last for thousands of hours; provides up to 5 hours of light on a daily charge. Kit includes wire hanger which allows for multi-purpose lighting applications (hanging/tabletop and indoor/outdoor). Automatic on/off solar operation eliminates costly battery changing; each unit includes a long lasting replaceable Ni-Mh 2/3 AAA battery. Note: Empty bottle not included.

LUMISPHERES™

Our Lumispheres™ solar lanterns are produced from sustainably harvested materials and are individually hand-made ensuring no two are alike! Each model comes with one bright LED and a single AAA Ni-Mh solar rechargeable battery. When positioned near a wall or surface, the open weave design casts a silhouette pattern that is truly stunning and will add ambiance to any outdoor setting. Patented (U.S. Patent No. 9,109,778)

illuminaries®

Patented (U.S. Patent No. 7,252,889)

Luminescent crystals within our Illuminarie® globes absorb light energy during the day and emit a soothing, light green glow at night. The glow intensity will gradually fade but can be visible for hours after dusk. Illuminaries® may be recharged by exposing to any light source. Indoors or outside, in a potted plant, garden or walkway - you're sure to enjoy Illuminarie® globe stakes!
