

Body•Essentials™

## DEEP CLEANSING facial brush & massager

### Product Features:

- Superior skin cleansing and toning with deep action treatment.
- Stimulating, patent pending massage action penetrates deeper than sonic or vibration only cleansers - right down to the dermis layer of skin where wrinkle critical collagen is located.
- Increases blood circulation for healthier looking skin
- 3 speeds for varied intensity.
- Includes: Deep Cleansing Facial Brush & Massager, 3 attachments and professional grade skin cleansing gel.
- Powered by 3 "AA" batteries [not included]

# Body•Essentials™

## DEEP CLEANSING facial brush & massager

### Soft Brush

Gentle, but thorough cleansing of the skin.

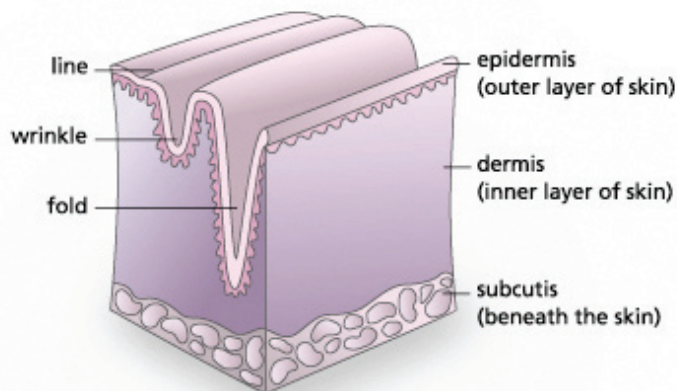

### Smooth Surface

Ideal for the application of hydrating creams.

### Massage Nodes

15 massage nodes provide extra stimulation.

### Advanced Deep Action

**Cleaning and Dermis Toning**  
Healthier, younger looking skin is more achievable when several layers of skin are treated - not just the surface (epidermis) layer. The Body Essentials Deep Cleansing Facial Brush & Massager not only provides thorough cleaning of the epidermis, but increases blood circulation to the dermis layer where vital age related components like collagen reside.

### Gentle Cleansing Gel

Professional grade cleansing gel is perfect for normal to dry or sensitive skin types. Manufactured in the U.S.A.
