Go to school in style with *Prêt à Paquet's* smart lunch accessories

We believe the food we pack for our children's lunches is super important - Lunch box food is comfort food, especially for children.

It carries the taste of home and everything it represents to a child. Our children's lunch packs deserve our care and attention.

It helps children get through their day.

Prêt à Paquet

A branch of the Bram group - a leading global plastic manufacturer with over three decades of industry experience, renowned for its functional, on-the-go designs, truly different from the rest.

Our team of designers are focused on creating innovative **eye-catching designs with a stylish flare.**

We are renowned for our prompt **logistics customer service.** Wherever you are, **Prêt à Paquet** can reach you, assuring you get your order as quickly as possible, across **Europe and the USA.**

Our dedication to service is a product of our passion to best serve our partners, while focusing on consumer needs. Our representatives are geared to providing the most helpful advice.

Quality and care with a focus on strict standards are a part of our manufacturing process.
