

# MEGA Clamp™

Introducing the patented MEGA Clamp™ which takes the successful Cable Clamp® design and MEGA sizes it! This easy-to-use organizational tool is great for securing coiled cables, ropes, air and water hoses. Constructed with durable polymers and stainless steel, the MEGA Clamp™ is self-aligning and forever reusable. Tremendously useful with many real-world applications, the MEGA Clamp™ is the large cord and hose management solution!

Three MEGA Clamp™ Models Available
