STORAGE & LUNCH

TAKING THE LEGO® BRICK TO THE MOVIES!

The LEGO® Movie, a full-length animated adventure, is the first ever LEGO theatrical release and the biggest family event to hit cinemas in 2014!

The storyline: Emmet, the most extraordinarily ordinary construction worker minifig in all of Bricksburg, suddenly gets mistaken for "the Special", the hero prophesized to save the world from the Kragle — Lord Business' ultimate weapon of destruction. In way over his head, Emmet finds himself the leader of an underground resistance group called the Master Builders, including a graffiti artist, an old blind wizard, a vigilante superhero, a mechanical pirate, an astronaut who still thinks it's 1979 and other scraggly rebels. Emmet must rise to the challenge and get this mismatched band of outsiders to work together as they travel throughout various LEGO® worlds and try to save the world from Lord Business' evil plans.
