

NP50

NAIL BUFFER AND POLISHER NAIL CARE SYSTEM

DESCRIPTION:

Put a new spin on pretty nails with this Professional Nail Buffer Tool. It's included roller heads gently and effectively buff nails, remove calluses, and leave nails looking smooth and shiny. The NP50 design makes these actions quick and easy, with great results.

BENEFITS:

- 2 buffer heads (purple): begin with buffer heads to make your nails smooth.
- 2 polisher heads (white): follow with polisher heads to polish and shine your nails.
- 1 callus remover head: use for nail filling and callus removing • For use on the fingernails and toenails. Do not use this device anywhere else on the body.
- Buffs and shines nails in seconds
- Gently and effectively buffs away the look of minor calluses and unevenness of nails.
- Operates on 2 AA Batteries (batteries not included)
