A glance at the products here will show you just how good it is to have Mr Town Talk on your side around the house.

Waxing Lyrical

ORANGE WAX
Ideal for cleansing and preserving chopping boards, wooden bowls and many other cooking and serving utensils, our wonderful Orange Wax also brings a deep, long-lasting shine to fine quality wooden furniture.

LAVENDER WAX
Our delicately scented Lavender Wax not only feeds and nourishes wooden floors and furniture, it also provides lasting protection against scuffs, spills and woodworm.

MARBLE WAX
A delicate lavender-scented Wax specially developed to bring a silky smooth finish to a variety of real and artificial marble surfaces. It also helps prevent staining.

FURNITURE WAX
A luxurious natural Wax that preserves the beauty of antique and modern furniture, giving it a lasting resistance to finger marks, spilled liquids and woodworm.

Mr Town Talk's Top Tip

"Always apply wax polishes sparingly and evenly, working with the grain of the wood, not against it. Follow my advice, and all your wooden surfaces will develop a glowing, inner warmth."

Caring for your Furniture

CREAM OR SPRAY?
With their essential oils of cedar or lavender mingled with a unique blend of natural beeswax, carnauba wax, almond and olive oils, our Furniture Creams and Sprays are ideal for all antique and modern furniture. Moreover, each one has valuable properties that act as insect repellents. The choice of Cream or Spray is simple. Use whichever suits you best!

The Cat's Whiskers!

LEATHER SPRAY
This Lemon & Lime Leather Cream Spray adds a lustrous sheen to shoes, luggage, clothing and furniture. Its unique blend of lanolin, natural beeswax, carnauba wax, almond and castor oils also feeds the leather and helps preserve its natural suppleness.

Crystal Clarity

CRYSTAL SPRAY
A clever Spray that will bring a brilliant sparkle and a special radiance to all manner of crystal items. Simply spray each item until it's dripping wet, and then leave it to dry for a crystal clear finish.

The Final Touch!

MULTIPURPOSE MICROFIBRE HOUSEHOLD DUSTER
An everyday friend with exceptional properties!
Modern weaving techniques make my Household Duster an ideal partner for my liquid cleaners and polishes.

"Having been given this polish some time ago, I'm delighted it's still available. It's the best polish I have ever had."
