LightLi® APP

(Works in conjunction with
Bluetooth Connection Card)

Our bluetooth compatible
app* works with LightLi®
Moving Flame® pillars
with C and D batteries.

Set the mood. Turn them on
and off. Control the flame
movement. Adjust the
brightness. Program the
timer. Even manage
multiple LightLi® LED candles
by grouping them together.

Download the app at

OUTDOOR CANDLES

Welcome wind, rain or sun.

LightLi® brings a considered craft, making the great outdoors even better.

The obvious advantage of an LED candle outdoors: it stays lit. LightLi® goes beyond to create smart construction and high-integrity materials that can stand up to the elements. Shed water and minimize sun damage to keep electronics safe and the flame burning.
